Dedicated guides to help support patients on SARCLISA[®] (isatuximab-irfc)

Once enrolled in **CareASSIST**, your patient is paired with a Case Manager who will get to know them personally to determine the best ways to help.

Case Managers will partner with both you and your patient to:

Conduct benefits investigations, review benefit summaries, and assist with prior authorizations

Help provide solutions to support access to SARCLISA, regardless of insurance status

Find ways to **help cover or lower out-of-pocket costs** for SARCLISA, if eligible

Facilitate claim submissions, denials, and billing

Connect patients with resources for emotional, logistical, and health-related support
