## CareASSIST is here to support you at every step

Once enrolled, you'll be paired with a dedicated Case Manager who will take the time to understand your needs and provide tailored support.

Your Case Manager will help you:

- Navigate and understand your insurance coverage and benefits
- Access helpful resources about your condition and treatment
- Find ways to help cover or reduce the cost of SARCLISA ESCENA and SARCLISA
- Connect with patient support networks and local organizations that provide emotional, logistical, and health-related support

“The opportunity to directly impact your experience keeps me passionate about my job.”
