Actor portrayals

# Dedicated guides to help support patients on SARCLISA ESCENA™ (isatuximab-irfc) or SARCLISA® (isatuximab-irfc)

Once enrolled in **CareASSIST**, your patient is paired with a Case Manager who will get to know them personally to determine the best ways to help.

## Case Managers will partner with both you and your patient to:

-  **Conduct benefits investigations**, review benefit summaries, and assist with prior authorizations
-  **Help provide solutions** to support access to SARCLISA ESCENA and SARCLISA, regardless of insurance status
-  Find ways to **help cover or lower out-of-pocket costs** for SARCLISA ESCENA and SARCLISA, if eligible
-  **Facilitate claim submissions**, denials, and billing
-  **Connect patients with resources** for emotional, logistical, and health-related support

# Learn more about our financial assistance programs

-  **CareASSIST Copay Program**  
Eligible commercially insured patients could pay as little as \$0\* in out-of-pocket costs for copays, coinsurance, and insurance deductibles.
- CareASSIST Patient Assistance Program**  
Patients who do not have insurance or lack coverage could receive their medication at no cost.†

\*Important Notice: Subject to the program maximum per patient per calendar year. Prescription must be for an approved indication. Not valid for prescriptions covered by or submitted for reimbursement, in whole or in part, under Medicare, Medicaid, VA, DoD, TRICARE®, or similar federal or state programs including any state pharmaceutical assistance programs. Not valid where prohibited by law. This offer is nontransferable, limited to one per person, and cannot be combined with any other offer or discount. Any savings provided by the program may vary depending on patients' out-of-pocket costs. Sanofi reserves the right to modify or discontinue the program at any time without notice. All program details provided upon registration.
