Helping patients access
their prescribed medications

You have been prescribed SARCLISA (isatuximab-irfc) by your doctor. You may have questions about medication costs or support options.

Access and Reimbursement

We will start by reviewing your insurance

Financial Assistance

If you are eligible, you may be able to receive your medication for as little as **\$0***

Looking at your insurance may help us determine if you qualify for one of our financial support programs

- If you do not qualify for a financial assistance program, we may be able to help you find alternative funding sources or services

Resource Support

CareASSIST specialists may be able to connect you to resources that may ease your treatment process:

- Transportation assistance
- Patient advocacy support
- Home care services support
