

Patients who are uninsured or underinsured and meet program eligibility requirements can receive their medication at no cost from Sanofi Cares North America through the CareASSIST Patient Assistance Program.

### Eligibility requirements

Patients must be uninsured or lack coverage for their prescribed medication\*

Patients must be residents of the United States or its territories or possessions and under the care of a licensed healthcare provider with a practice in the US

Patients must have an annual household income that does not exceed the greater of \$100,000 or 500% of the Federal Poverty Level of the current year

\*Patients with Medicare Part B coverage with no supplemental insurance coverage may also be eligible.

### A member of the CareASSIST team will:

- Follow up on any missing information from submitted enrollment materials
- Notify HCP and patient of patient enrollment status and provide approval or denial explanation
- Coordinate shipments of medication to your office and other sites of care per information provided on the product request form
- Follow up to ensure continued enrollment and investigate additional support needs

To learn more about the CareASSIST Patient Assistance Program and additional support options, please contact your local Field Reimbursement Manager. You may also call **1-833-WE+CARE** (1-833-930-2273), Monday through Friday, 9 AM – 8 PM ET, to speak with a dedicated Care Manager.
